

Hort in the Hood

Green for Greens

It's time to harvest and time to help PHT raise some money

Your choice of fresh lettuce, beet greens and spinach. Trouble making a choice? Simple....buy all three and you will be in salad for the week!

Only \$5 bucks a bag!

On Wednesday October 17 and Thursday October 18 fresh greens from your school neighbourhood garden will be available for sale. They are 100% organic and contain no herbicides of any kind. Just pure leafy goodness for your family meal. This crop was planted in August and SDSS students will harvest with our kids.
